VOLUME 1, ISSUE 1 FEATHER YOUR NEST

SUMMER/FALL 2009

3/50 Project

Save your local economy...*three stores at a time.*

Saving the brick and mortars our nation is built on

3 What three independently owned businesses would you miss if they disappeared? Stop in. Say hello. Pick up something that brings a smile. Your purchases are what keeps those businesses around.

50 If half the employed population spent \$50 each month in locally owned independent businesses, it would generate more than \$42.6 billion in revenue.* Imagine the positive impact if 3/4 the employed population did that.

68 For every \$100 spent in locally owned independent stores, \$68 returns to the community through taxes, payroll, and other expenditures. If you spend that in a national chain, only \$43 stays here. Spend it online and *nothing comes home.*

1 The number of people it takes to start the trend...*you.*

Pick 3. Spend 50. Save your local economy.

LARGE & SMALL GARDEN FLAGS

GARDEN FLAGS, POLES & BRACKETS

What a wonderful Summer we have had so far this year! With the humidity so low this past week it was just a pleasure to be out in the garden.

Now is a good time to look over your garden flags to see what needs to be replaced or if your flag matches your gar-

den theme. Check out your wooden poles, your brackets and your wrought iron flag holders.

If your flag is showing wear, now might be a good time to pick up a new flag & give your wrought iron a fresh coat of paint. Fall themed flags are here and still arriving. Holiday flags will be arriving in mid-September.

PATRIOTIC IS STILL A FAVORITE

Most everyone that lives here, I would say, loves this country and are proud to display patriotic wares throughout their home. Some folks decorate only with stars while some decorate with red, white and blue themes. We have lots of Americana available to add that special touch of Patriotism to your

home. Stars, plates, animals, candles, garlands, and so much more. Stop in to see what we have available that will add that finishing touch to your home décor.
