## HOLIDAY FLAGS, POLES & BRACKETS

### Winter...

is just around the corner and the Christmas, Snowman and Holiday themed flags have arrived.

Check out your wooden poles, your brackets and your wrought iron flag holders. Replace if they are not in good condition for the winter weather.

If your flag is showing wear, now might be a good time to pick up a new flag & give your wrought iron flag holder a fresh coat of paint.

## HANDMADE DRIED WREATHS

### Garden View Zinnia 16" Wreath

Our Garden View Zinnia 16" Wreath is designed with naturally preserved components such as salal, cartamo, green myrtle, preserved red eucalyptus, cream globe, green natural hydrangea, tansy accented with natural yellow and orange zinnias.

## DRESS UP YOUR WINDOWS & FLOORS!

Now is a great time of year, just before the holidays, to spruce up your windows with new Valances, Tiers, or Drapery Panels.

All valances, tiers and panels are lined (with a few exceptions). Matching tiers and panels are available by special order.

To complete your decor, there are matching shower curtains available, along with throws, pillows, placemats, table runners and more.

And you will want to check out the braided rugs that are in stock or that can be special ordered. Sizes range from 2' x 3' to 8' x 10'. *Just arrived* are the Braided Stair Treads, which make really nice table runners too!

Stop in the shop to see the braided rug swatches. There are lots of new colors now available.
